In an attempt to make the distribution of funds as fair as possible, the following guidelines will be observed:

Only members of the CAC in good standing will be reimbursed. Amounts will be decided in accordance with the SSHRC guidelines, taking into account the needs of students and others with limited incomes. Reasonable accommodation expense will be re-imbursed. A cap will be applied to airfare reimbursement except in the case of students and those with limited incomes. Cheques will be mailed in June.
