

À: Canadian students in Classics and Ancient Studies

De: The CAC Graduate Student Caucus

Sujet: "Rant Session"

Date: September 18, 2024

If you could please share the following invite and flyer with your current Graduate and upper-year Undergraduate students, that would be most appreciated.

The CAC Graduate Student Caucus Executive would like to extend a warm and welcoming invitation to your department's Graduate students (both MA and PhD), as well as Undergraduates undergoing their final year research projects, to our monthly virtual "Rant Session". Please find all the relevant information below.

Sometimes Graduate students need a secondary (or it could be their first) emotional and academic support system that extends beyond their relationships with faculty, family, and friends; this event is meant for anyone wishing to drop-in and chat about the ups and woes of their current research, ask questions about grants/funding, discuss their work schedule, and most importantly to connect with other graduate students across Canada. We wish to build a safe space for those who would like to just chat and meet others that are going through similar accomplishments. These informal sessions are a break from the workload and a time to enjoy good company! **Our first session will be on Thursday, September 26th starting at 7:00PM (EDT)/4:00PM (GMT), held over Zoom.**

- **When:** The last Thursday of each month from September–April (except December) September 26; October 31; November 28; January 30; February 27; March 27; April 24 at 7:00PM (EDT)/4:00PM (GMT) **Where:** Zoom : [link to the session](#). **How :** Simply click the Zoom link
- **What :** Attendees are more than welcome to bring their own beverage (coffee, tea, etc.)

Questions can be submitted to the CAC CGSC's [e-mail](#) and we'll be happy to respond.
