

## Grace Irwin Award 2020

Ousseynou Diallo du Toronto French School, gagnant de la bourse Grace Irwin, a soumis son rapport et sa reconnaissance pour avoir reçu la bourse. Son message se trouve ci-dessous:

*"I thank the committee for granting me the Grace Irwin Award. It has allowed me to acquire resources to enrich the activities of our classical club and to make our subject more attractive. I bought books and comics on Greek and Roman history and mythology. These books are intended for a fairly young audience.*

*I made the purchased books available to the students. Within the framework of the club, they can borrow the books and make flashcards. They can also use them to prepare competitions like Medusa. This year, because of the pandemic, the club is online, so I have to quarantine the books, before or after a loan. Even in these rather special circumstances, students are happy to have new resources at their disposal and to be able to use them.*

*I am happy to offer you pictures of the books, as well as the complete list of titles.*

*Again, thank you on behalf of my students of the TFS Classics club,*
