

Grace Irwin Award 2021

Michael Griffin de Leaside High School, gagnant de la bourse Grace Irwin, a soumis son rapport et sa reconnaissance pour avoir reçu la bourse. Son message se trouve ci-dessous:

"To the Members of CAC,

With the funds from the Grace Irwin Award for 2021. I was able to inject some new activities into my classics club at Leaside. During the first full school year of the pandemic, we were not running extra-curricular activities like the Classic Club. I did have a Latin Class for one quadmester although my interactions with my students were brief and I did not have much contact with them beyond our class. For 2022, There was no Latin class for 2021/2022, but a newly reformed Classics Club has met virtually and in person when allowed. With our virtual meetings, we prepared for our in person extra-curriculars. We have planned out and executed a number of workshops to create replicas of ancient pottery. This Classics Club has met a few times and molded some skyphoi, a phale. and pyxis. Our next task was decoration. As of March their pottery project is almost complete. We are planning a mosaic workshop and to create a few more in person art objects inspired by the ancient world."
